Wolfgang Tessmer resigns from management board of Schaltbau GmbH

Munich, 17 November 2011 – After almost six years in the service of Schaltbau GmbH, Munich, Wolfgang Tessmer (56) resigned from his management board post at Schaltbau GmbH at his own request with effect from 16 November 2011. As Technical Managing Director, Tessmer headed the Development and Production departments at Schaltbau GmbH from December 2005. The Executive Board of Schaltbau Holding AG particularly wishes to thank Mr Tessmer for his achievements and his high degree of commitment.

Schaltbau GmbH, a wholly owned subsidiary of Schaltbau Holding AG, is a leading provider of special components and control devices in the field of transportation technology.

About Schaltbau:

With annual sales of € 315 million and a workforce of around 1,700 employees, the Schaltbau Group is a leading supplier of components and systems in the field of transportation technology. It supplies complete level crossing systems, door systems for buses and trains, industrial braking systems for container cranes and also power supply units as well as high- and low-voltage components for railway vehicles. Its innovative and future-oriented products make Schaltbau a key business partner in the fields of transportation technology and industry.
